## Customer Reviews

CUTEST thickest book - the art inside is scaled PERFECTLY - the detail is medium - for kids 6 and up to adult. BRIGHT and Lovely cover. The book fits in the palm of your hand - a bit bigger but perfect for the backpack and purse. It will go on summer vacation with us for sure!

Love this little book that you can take with you and do while you are waiting somewhere. It really is not only for Easter. Lots of spring time art.

I LOVE this book. It has beautiful selection at various levels, and it's compact. I can take this with me and color at any time. Perfect!!UPDATE: The sheets are thin. So I cut a piece of poster board to size and color on. It's still a great coloring book in my opinion.
