The Blower Job (Eat Fish And Die Book 4)

Synopsis

Since you haven't been offended by the last three installments of this #@!\$%-up Sci-Fi Military series, welcome back for a fourth helping of Puppis chicken braised in white wine and fresh dill! Hooah! The interstellar Sardine War is now in full swing like a nail infested baseball bat. And once again we find Major Joachim Merlot in the middle of a nasty interstellar battle. Our hero bets he'll finally get a bullet in the head. But after meeting a hot alien soldier named Espiona, he might just get lucky. That is, in the worst possible way. If you've read this far, please stop and buy the darn book! It's under a dollar, for Pete's sake!
