## Customer Reviews

I bought these to put in my daughter's lunch when she started kindergarten. every morning, i would pull a joke from the book, write a note on it, and place it in her lunchbox. she could read, but she needed help with some of the words (the lunch aids were awesome with this). i think the reading would be no issue for first grade. i had to explain a lot of the jokes. i understand humor develops in kids at different rates, but i think some of the jokes were over her head because of word play. i got better at screening the jokes for ones she would get, and she got more of them as the year went on. my daughter was a little shy in Kindergarten, and these jokes helped her out of her shell. she would read them to her classmates daily. it became a thing. she would get in the car and talk about the joke of the day.

My kids love these! If I forget then they get them on their own! I learned that they were telling their 1st grade teacher a joke everyday so it's been a way to build that relationship and also peer

relationships. They've also been memorizing them which is great to see.

These are okay. I have 3 kids- ages 9, 7 and 6. I only use them for my 7 year old because she's the kid that really likes this kind of stuff from mommy at lunch. I like the jokes they are on par for her age and understanding, but there's not any color in here. She Loves brightly colored things so I add a little bit of coloring myself with markers or crayons.

Convenient. My daughter is in 1st grade and looks forward to them in her lunchbox everyday. Some jokes are okay, not fantastic but I will continue using them as long as she likes them. I'm on the fence about buying the others in the series.

Our daughter really looks forward to these notes. I write a secret message to her and she has a super fun joke to read to everyone else. Big hit!

I admit I'm a nerd and I think the corny jokes are great! My son is 8 and I didn't think he actually read them but I forgot to put one in the other day and he was quick to point it out when he got home:)

Our kids have loved having these riddles in their lunch each day! It has been a fun way to connect with them while they are at school. The jokes have elevated our tradition of lunchbox notes. Even our middle schooler loves them!

These are cute jokes, easy to tear out, write on, and slip in your child's lunch. My kids love getting them in their lunches.
