## Customer Reviews

It's Garfield on the internet! I've still got book number one from back in the dark ages, but now I'm collecting his new books online and loving it. How lazy can I get...or, as I like to think of it, how much more efficient can I get? :) Garfield would be proud. Buy a Garfield book and have a laugh!

This book carries on the great Garfield tradition of genuinely funny page after page. A Garfield fan of many years, I have enjoyed each and every page.

I don't think that it is a good book it was not bad either in a way that I can not explain. But you can

The garfield series as been up and down. Most people thought the series was done after the 11th book. However, Jim has found new ways to keep the series alive with the new TV series or books

on Oide. I would like to see more characters (Adlene, Doc boy). I just wish they would put them in digital form. I would love to be able to pull them out and laugh wherever I am.

It was so funny. I'm a sucker for a good joke, and this had lots and lots of historical ones.

This book is so funny that I could not stop laughing! Read this book and all the rest to almost die from laughter!!!:3

Bought for a school library. Kids really like this book.

It's Garfield, it's funny. What else needs to be said?
