# Mediation: Practice, Policy, And Ethics (Aspen Casebook)

## Synopsis

When you purchase a new version of this casebook from the LIFT Program, you receive 1-year FREE digital access to the corresponding Examples & Explanations in your course area. Now available in an interactive study center, Examples & Explanations offer hypothetical questions complemented by detailed explanations that allow you to test your knowledge of the topics covered in class. Starting July 1, 2017, if your new casebook purchase does not come with an access code on the inside cover of the book, please contact Wolters Kluwer customer service. The email address and phone number for customer service are on the copyright page, found within the first few pages, of your casebook. Mediation: Practice, Policy, and Ethics provides a comprehensive and current introduction to the world of mediation, including law and policy, case examples, and practice guidelines for mediators and attorney representatives. Leading scholars and award-winning teachers in the field present critiques of mediation as well as its promise and potential. Their practical, problem-solving approach includes both analytical and behavioral approaches in varying gender, race, and cultural contexts. The text can be used for lawyer-mediators, lawyer-representatives in mediation, and non-lawyer mediators. The Second Edition showcases recent case developments in mediation and adds selections from the latest law review and practical writings on new forms and applications of the processes. New material on cultural diversity also includes coverage of international and intercultural mediation. Features: comprehensive current coverage of mediation law and policy case examples practice guidelines for mediators and attorney representatives authors are leading scholars and award-winning teachers in this area presents critiques of mediation as well as its promise and potential practical, problem-solving approach both analytical and behavioral approaches varying gender, race, and cultural contexts can be used across the field lawyer-mediators lawyer-representatives in mediation non-lawyer mediators extensive Teacher's Manual suggested syllabi teaching notes simulations discussion pointers exam and paper suggestions for each chapter Thoroughly updated, the revised Second Edition presents: recent case developments in mediation and related processes selections from latest law review and practical writings on new forms and applications of mediation processes new materials on cultural diversity and international and intercultural mediation
