Plants Of The West Coast Trail (Raincoast Pocket)

Synopsis

The west coast of Vancouver Island is a region teeming with plant life, and the West Coast Trail is the entryway. The trail's windswept shores and abundant forests feature a wide range of plant life, from some of the world's tallest trees to delicate lilies to bull-kelp. Each species is described and featured in color photos and maps of British Columbia's most popular hiking destination are included.
