This amazing new holiday edition from Gooseberry Patch is another Masterpiece, added to my cookbook collection. Vickie Hutchins and Jo Ann Martin deliver another exciting, attractive cookbook as usual, filled with lots of surprises. If I had to wait for the arrival of a book, I'd have to say, this one is well-worth the wait! The authors include: delicious recipes for breakfast, lunch, dinners, desserts and much more. The tasty recipes are created not only for that special time of the year, but for

anytime. There are also delicious recipes for treats, and drinks. In addition, the book is covered with festive, heartwarming tips and ideas. Another added feature are slow-cooker recipes for those cold days that are simple, and easy-to-prepare. The CHERRY ALMOND BUTTER BITES are a sensation, and so are the Party Dips. Some of these recipes make your mouth water, before you even attempt to make it, such as The PARTY SHRIMP MARINADE. We enjoy making different flavored breads, and this cookbook also offers tempting new bread recipes. The BRAISED BEEF RIBS were a big hit, and next we will try different soups, and MIMI'S BLUE CHEESE DIP. I love Blue Cheese, so I'm anxious to try this dip. My daughter wants to try the HERBY ONION BATTER BREAD, so this is added to our to-make list. We will leave updates as we make new recipes, and I already decided that I will be gifting this cookbook to friends and family for the holidays. Heartwarming, fun-filled, and delicious recipes. Highly recommended!--Geraldine Ahearn(Author Geri Ahearn)

Love Gooseberry Patch books. I have made many of the recipes from these books over the years and this one had quite a few I liked. I am looking forward to trying them.....I know I will not be disappointed.

I have purchased several Gooseberry Patch cookbooks and this is one of the best. I have made Ed's Holiday Bacon Quiche twice to rave reviews. I also like the Quebec maple bread pudding. The recipes are interesting and easy.

I love the gooseberry cookbooks. Easy to follow recipes and simple ingredients. I love it. The book came quickly and in great shape.

LOVE it!!! Perfect! Came as described and in the promised time. Great price - I would definitely buy from this seller again~!

I find that I do more cooking during the fall and winter months than the summer months. Having all of these Christmas books, you have a wealth of recipes to choose from. The month of December will be spectacular cooking wise.

A gift for my Secret Santa pick this year. It was a hit with the recipient. Gooseberry Patch is always a good choice for gifts or personal use.

As always--Gooseberry Patch delivers--good purchase
