A must have for Halloween party fun! The recipes are unique, easy to follow and innovative. This is a book that will give me years of Halloween fun!

Not bad at all! A fun little guide to some tasty festive ideas!

The Kindle version does not have any photos. Why bother with Halloween recipes when you have no idea what the final presentation looks like? If photos are added, it might be a good book.

The book has a lot of good recipes that are easy to prepare and they all have funny scary names. Too bad there were no pictures but because of the titles your imagination can go wild.

This is a good book for people new to Halloween crafts. There are many simple and inexpensive ideas to make a normal gathering into a Halloween Bash. I will be trying some of these tips myself for my favorite holiday!

This book provides recipes for delicious and awesome looking meals! I will definitely try these recipes out. It would be great if there were Photos of the meals in the kindle version. I am very impressed and I can highly recommend this book!

This year Ive decided to throw a Halloween party, rather than go out. But Ive been a little stumped as to what to make. Thank god I stumbled across this book just in time. Really easy to follow recipes, and delicious (I've already tried a few out). Highly recommend.

Fantastic cookbook! A lot of fun recipes for the whole family
