Thanksgiving Recipes Made Easy (Effortless Holiday Meals Series Book 1)

Synopsis

Since that autumn in 1621, Americans have continued the beautiful annual tradition of remembering what it is we are thankful for. For our country, for our homes, for our families and friends that fill them, for sharing and growing together, this holiday is to celebrate how abundantly grateful we are to have these things. In the spirit of tradition, we have put together a book of recipes; each designed to add to your Thanksgiving feast. From the appetizers and drinks, to the dessert after you've had your absolute fill of dinner and sides, you will find all you need to complete the perfect spread for your loved ones. Creating a full Thanksgiving meal can seem overwhelming, but you can put your worries to rest by using one of these 5 full meal plans, complete with shopping lists. Each are designed with complementary food and drink from the beginning to the end, so you can't go wrong. You can download a printable PDF of the meal plans and shopping lists here: <http://timerlay.com/686/thanksgivingmeals> Now, put on your best apron, turn up your favorite music, and enjoy a relaxing marathon of cooking delicious food for those you are most thankful for. Happy Thanksgiving and Happy Cooking!

Customer Reviews

Great item

This is a short, simple, easy to follow holiday cook book. If you don't notice it before Thanksgiving, why not buy it for Christmas. The recipes will get you through almost any winter gathering. You can follow the menus that Miller suggests, or you can mix and match. The recipes are clearly written and, although not highly sophisticated, are very tasty. Some will take you right back to your childhood Thanksgiving table. For the beginner, there are even detailed shopping lists.

More than enough meals to deal with the leftovers that are inevitable. A lot of these I have never seen before. I must admit the combination of the recipes with the Grocery list that you get when you get the book, is well worth the price of admission. I am getting my holiday shopping list together, and this does it for me..One of my better finds of the season.

I was able to download this book for free. I do like how it's laid out with the different meal plans and grocery lists but other than that there's really nothing 'new' that I haven't seen elsewhere. It's a nice resource to have on hand in a pinch but that's just about all it has going for it.

Thanksgiving Recipes Made Easy by author Stephanie Miller is jam packed with wholesome delish recipes, just in time for the holidays. I snagged my copy as a promotional freebie, and was delighted with the variety and tasteful looking recipes. Hurry and get yours before sale ends....gobblegobble!!!

I will definitely try a good number of these. The only reason I didn't give it five stars was because I would've liked to see a photo of each item. Otherwise, I'm truly impressed!

that is useful if you are going to throw a good supper, but dont' know what to do. If you don't know how to throw a good dinner party, this is the book to get.

I liked the cookbook, and was inspired to try new dishes...I just haven't gotten around to it yet! But the recipes sound yummy and the pictures looked good.
