## Customer Reviews

Having this book for Business Associations class in law School is a must. It is easy to tab for quick reference, rather than hunting down each rule and statute online then printing them while risking losing everything you hold dear. I have had no issues with this book, the binding is perfect even after the constant stream of tears that comes with being a law student pours onto its pages.

I don't know why but the statutes for uniform partnership act 1997 are not the same as RUPA, and limited liability company act are not the same as what we are following in my Bus Assoc class. the numbers are off and I have no idea why. SO MAD

Just what i needed perfect condition.

Only the cover was damaged. No scribbles on the inside. Good product!

Arrived in very good condition

very nice

Thanks! Perfect for Biz Orgs.

text book, fast shipping, enough said.
