Customer Reviews

The briefs are well keyed to the casebook. I decided early on that briefing cases is NOT the way I will succeed in law school, but using these briefs along with highlighters to highlight the rule/analysis/holding in the case (different colors) works beautifully. The time I save on briefing lets me study the real substantive legal issues covered in the hornbooks. Everybody learns differently, but that's what works for me (top 10% of my class) and this book is critical to my method.
