# Amigurumi Holiday Hats For 18-Inch Dolls: 20 Easy Crochet Patterns For Christmas, Halloween, Easter, Valentine's Day, St. Patrick's Day & More

## Synopsis

Imagine your doll dressed as a reindeer, topped with a turkey, looking like a leprechaun, or pretty as a poinsettia! Festive hats for the holidays make doll clothes so much fun! This book contains a collection of 20 holiday hat patterns designed for American Girl dolls using the popular amigurumi style of crochet. Learn to make adorable hats for Christmas, Halloween, Valentine's Day, Easter, St. Patrick's Day, July 4th, Thanksgiving, New Year's Eve and birthday parties. The patterns in "Amigurumi Holiday Hats for 18-Inch Dolls" primarily use single crochet which makes them easy to master. Amigurumi basics, stitch tutorials, step-by-step instructions and color photos are included. Patterns are suited for beginners or experienced crocheters. Hats fit American Girl® and any 18-inch dolls with a similar 12-inch head circumference. Enjoy this book along with its companion book by Linda Wright, "Amigurumi Animal Hats for 18-Inch Dolls"! LINDA WRIGHT studied textiles and clothing design at the Pennsylvania State University. She is

the author of various handicraft books including numerous works of whimsical amigurumi-style crochet.

I bought this book almost by accident and boy, was I delighted! First of all, the instructions are very clear, with beautiful photos of exact details. Second, there is none of the annoying stuff so when you start on a project in the middle of the book the instructions are complete with no need to turn back to previous projects and jumping back and forth. I did my first project and it turned out perfectly and I will do them all. The attention to detail is what sets this book apart. I recently bought a much more expensive book on doll clothes written by a leading name in the field, and was so disappointed when I saw that in many of the photos the doll shoes were on the wrong feet! What does that say about the instructions? I look forward to trying one of the author's other books to see if they are all this good.

This is a great book--the patterns are soooo easy and even enlarged them for the dolls "mommies." Just used a bigger needle and add a few stitches. I think they take me about two hours to make. Will also make as gifts for birthday parties (for girls who have the 18 inch dolls). All the patterns are basically the same with differences in the accessories. So you can really get the hang of the basic process easily. They turn out so cute and I used a lot of my left over yarn so felt good about that.

I am so excited about these patterns. Although I have not started one yet, a brief perusal finds things to appear to be in order.

Love love love this book! I'm a crocheter and make anything and everything I can get my hands on. My daughter has an American girl doll and loves when I make things for her. I've made a few hats from this book and a few from the other one. Very easy to follow instructions.

I haven't actually made any of these hats yet, but in looking over the book it appears to have clear instructions. I think my granddaughters will love the hats for their dolls.

Has lots of different hats. I love it!

This is a great book for cute doll hats. I had a little trouble starting a project using their "magic circle" process, but got the hang of it eventually. Book is well written. It is unblemished and as described.

Nice hats. Excellent instructions. Nice photography. I recommend.
