# Little Quilts: 15 Step-by-step Projects For Adorably Small Quilts

## Synopsis

Doll-sized quilts can be completed relatively quickly and inexpensively. They can be made into pillow covers, runners, or wall decorations, or used as a lesson or as a trial for a larger project; and they can be swapped, gifted, or posted. In *Little Quilts*™ 15 step-by-step projects, sometimes the quilt is just one block, sometimes several blocks, but all have been designed with the same attention to detail as a full-sized quilt. Seven quilts have been designed by Sarah Fielke and seven by Amy Lobsiger, and the final quilt is a collaboration with Amy making the central circle, then sending it to Sarah to turn it into a finished quilt. Techniques include hand- and machine-quilting, traditional piecing, paper piecing, appliqué, and embroidery. The size of the quilts (nothing larger than 24 x 24 inches) will tempt you to try a new sewing technique or a new design concept, and you can either follow the instructions or use them as inspiration for your own quilt design.

## Book Information

Age Range: 10 and up

Paperback: 128 pages

Publisher: CICO Books (July 10, 2014)

Language: English

ISBN-10: 1782491376

ISBN-13: 978-1782491378

Product Dimensions: 9 x 0.3 x 9.2 inches

Shipping Weight: 1.1 pounds (View shipping rates and policies)

Average Customer Review: 4.6 out of 5 stars 60 customer reviews

## Customer Reviews

Sarah Fielke is a quilter, teacher, designer, and author of four hugely successful quilt books: *Hand Quilted with Love* (published by Cico Books in 2013), *Material Obsession: Contemporary Quilt Designs*, *Material Obsession Two: Shared Inspiration*, and *Quilting: From Little Things*. Amy Lobsiger has been a quilter for 20 years. She has worked at her local quilt store for a decade, teaching, designing store samples, and writing patterns. Sarah is based in Sydney, Australia; Amy is based in Michigan, USA.

This is a wonderful book! It teaches skills in a clear, thoughtful way and walks you through creation of each quilt from start to finish. The finished quilts make wonderful gifts, or make them all and create a wonderful wall of little quilts. I've made three quilts from the book so far. My favorite is the foundation paper pieced star, the "Drawn Together" pattern that is featured on the cover of the book. You can do additional hand quilting and it becomes a stunning little quilt! I look forward to making more and plan to learn Hawaiian applique using the techniques in the book.

A delightful book about small quilts. From doll beds to wall hangings to mug rugs! It was full of ideas to use up your scraps, and a wide variety of techniques as well. Applique, embroidery, pieced and paper piecing. It's all there. I made one of the quilts on the cover, and it was a good size block. One you can use in many ways--as a center block in a small medallion quilt, a panel for a tote bag, a small wall hanging, or make more for a quilt. Though the author shows a preference for hand quilting, this is great for small quilts and is a great accent, you can also do machine quilting if that is your choice. I recommend this book because of its versatility and variety.

This is a nice book. You can find small projects from this book. I already made some and it was for my friends and also family. I can make nice little presents sometime with this book.

Good book

I really wanted a small Quilt book to make a quilt for the doll bed I just bought for a 18 inches doll, some of the hand sewing I really didn't want to do. My fault I didn't really read just the photos capture my interest .I still will use my sewing machine I have tunnel syndrome .Ã Â Â^Â

I simply don't have the time or patience for big quilts but love dolls and doll collecting so love making small quilts. They are wonderful for wrapping dolls in to go along to doll club meetings and events and great for display of dolls too. This book has some unusual ones that I like very much. I look forward to the book getting much use and enjoyment.

Cute book

adorable little quilts. It takes forever to make a bed size quilt, but little ones work up in a few hours.

That way, you can try different styles without a lot of time and money invested.
