Jessica Mazurkiewicz's graphic illustrations can be seen in books and magazines, as well as on clothing and dinnerware. The Vermont native is the author of several Dover titles, including *Abstractions* and *Coral Reef Stained Glass Coloring Book*.

Really interesting patterns and words! :)

I love to color but get overwhelmed by some of the intricate, tiny designs in many of the books available. This is my second word book and I have already pre-ordered the next one. I just hope they keep making new ones!

Excellent, bought one for my sister also.

Fun and easy; a change of pace for something simpler; enjoy doing these.
