# Southern Gardener's Handbook: Your Complete Guide: Select, Plan, Plant, Maintain, Problem-Solve - Alabama, Arkansas, Georgia, Kentucky, Louisiana, Mississippi, Tennessee

## Synopsis

The complete guide to select, plan, plant, maintain, and problem-solve for gardeners living in the South. Every season in the South presents a gardening opportunity. Take advantage of all of them by choosing the perfect plants! Using the right plants makes gardening not only easier, but more fun, and helps you grow the best-looking and healthiest garden possible. The Southern Gardener's Handbook helps experienced and expert-level gardeners pick the ideal plants to get the most pleasure from their gardens. Detailed plant profiles help you get the best bang for your buck (and work) in the garden. Helpful advice about caring for the unique needs of southern gardens, along with complete information about USDA Hardiness zones make this a resource you will not want to go without. Annuals, biennials, perennials, tropicals, bulbs, ornamental grasses, trees, shrubs, ground covers, vines, lawns and vegetables are all covered in depth by gardening expert and writer Troy B. Marden. Nearly 300 at-a-glance full-color photos and plant profiles allow you to plan, create and enjoy the very best results from your garden.

## Customer Reviews

Troy B. Marden has co-hosted Volunteer Gardener out of Nashville, TN, for over 10 years. Troy is a popular, lively and in-demand speaker for all kinds of gardening and social groups. He has more than 26 years of experience in the garden industry & garden writing world, as well as strong connections to the country music industry. Marden has written articles for magazines such as

Horticulture, Fine Gardening, Garden Design, and Southern Living. He is also an exceptional photographer. Visit [www.troybarden.com](http://www.troybarden.com) to review his work and photography.

A practical and achievable guide to gardening in the southern hardiness zones. It will help you know what to plant and what not to plant (See Marden's previous book, *Plant This Instead*). He bases his advice on many years of trial and error and answers all of those questions about watering, pruning, feeding, pest control and problem solving. Helpful for new and veteran gardeners.

Useful

Just moved to Arkansas from Colorado and the book has been a great help. Have all next winter to read cover to cover, but has already provided great reference.

Everything you ever want to know about gardening southern style.

Love this book! Great advice/tips for my Southern garden; wish I would have bought sooner!

Loved this! Another great book by Troy Marden! So much information and beautiful photos!

Exactly what I wanted!

Purchased this and the Southern Gardener's Fruit and Vegetable Book for my daughter living in the Nashville area. She was raised in Colorado and spent many years in Texas so learning about gardening in her new Nashville home was important and these books didn't disappoint. She started her gardening journal and preparing the soil and now she won't waste money buying flowers not native to the area.
