Milli Taylor is a London-based caterer specializing in both private and corporate events. Her previous clients include Danni Minogue and Dave Grohl (of the Foo Fighters) and her fresh, modern approach is much sought after. In 2013 she launched Milk & Sugar, an afternoon tea & supperclub™ along with fellow author Victoria Glass. This is Milli's first book.

I live in a small town so many of the ingredients are often difficult to find in stores around me. Unless you live in a large metropolitan area I would not recommend.
