Passover is coming! Don't panic! So begins Mindy Ginsberg's new cookbook, *The Easy-Way-Out-of Passover Cookbook*, which goes on to say: Believe it or not you may even enjoy this crazy week and I actually like to stay home during Passover specifically because of the delicious, special and unique dishes. It's a whole new way of thinking about the holiday, reflected in many, many new Jewish cuisine cookbooks instead of eight days of oppression, eight days to try out delightful new dishes. Mix and match with your traditional favorites, and you'll hardly notice that you're eating well and happily without pizza or pasta. In fact, many of these recipes are too good to serve just once a year and are likely to find their way onto your table all year long. --*The Jewish Voice*, March 2015 This is a very handy book: spiral-bound on top, narrow (5 x 8 inches), and it stands up. The author gets right down to tachlis with a few quick meals and then easy menu plans from soup to desserts for the eight days of the holiday. Enjoy a tasty dinner of Avocado Salad and Pecans, Fishcakes, Meatloaf Potato Roll, Matzo Kugel with Walnuts, Ratatouille and Vanilla Carrot Pudding. Based in New York and Tel Aviv, the author has published two other cookbooks. --*Books for Cooks and Foodies*, Judith A. Sokoloff, Na'amat Woman

Mindy Ginsberg is an imaginative cooking expert who has lovingly assembled and shared over fifty years of proven recipes. She is based in New York and Tel Aviv and has had two previous cookbooks published in Israel.

I'm a Catholic girl that loves this cookbook!!!

Just not what I was expecting. If you have experienced a few Passovers, you don't need this.
