There's nothing better to send you into a nice, deep sleep than the Federal Rules of Civil Procedure. I read this every time I have had a stressful day and Reddit cannot take my mind off the day well enough to let me become comatose. SPOILER! In a discrimination case, Rule 19(a) should not be used by a defendant when trying to bring in a third-party harasser as a necessary party.

Almost makes the rule easy to use, without all the unnecessary comments from 1930 as to why the

rules was updated 80 years ago. Just the rules, simple to use. Nice and compact.

Nice to have a copy of the Federal Rules of Civil Procedure and the Rules of Evidence in one publication. And best of all, the price isn't outrageously expensive like most editions. I really like having this copy ready on my desk or with me in court to quickly review what I need.

It is very helpful for the traveling attorney to have this concise lightweight paperback in the briefcase.

The Federal Rules of Civil Procedure and the statutes that relate to venue, jurisdiction, and removal from state to federal court. This is a perfect quick reference for my desk. I love it.

I used this a lot. I enjoyed how clear the font read for quick reference. And then several other students noticed it and got the same one! Great for the price, too.

convenient.

Great pocket book of the FRCP. I keep this in my laptop bag for quick access and convenience. 5 stars.
