# Theogony And Works And Days (Oxford World's Classics)

## Synopsis

This new, fully-annotated translation by a leading expert on Hesiodic poems combines accuracy with readability and includes an introduction and explanatory notes on these two works by one of the oldest known Greek poets. The *Theogony* contains a systematic genealogy and account of the struggles of the gods, and the *Works and Days* offers a compendium of moral and practical advice for a life of honest husbandry. About the Series: For over 100 years Oxford World's Classics has made available the broadest spectrum of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, voluminous notes to clarify the text, up-to-date bibliographies for further study, and much more.

## Book Information

Language: English

ISBN-10: 019953831X

ISBN-13: 978-0199538317

Product Dimensions: 7.5 x 0.3 x 5 inches

Shipping Weight: 3.2 ounces (View shipping rates and policies)

Average Customer Review: 4.2 out of 5 stars 29 customer reviews

Best Sellers Rank: #5,437 in Books (See Top 100 in Books) #7 in Books > Literature & Fiction > History & Criticism > Movements & Periods > Medieval #8 in Books > Literature & Fiction > Ancient & Medieval Literature > Greek #8 in Books > Literature & Fiction > History & Criticism > Movements & Periods > Ancient & Classical

## Customer Reviews

"This is a very welcome publication, an authoritative translation of a major greek author at a reasonable price. Essential reading for classicists."--J. G. Hourie, Dept. of Classics, University of Edinburgh  
"Readers who have no previous knowledge of Hesoid will find this an extremely accessible book, written in such a way that the non-specialist will be able to read, follow and enjoy these works. This is in part due to Professor West's excellent translations and partly due to his real and profound interest in his subject, which is further reflectd by a most informative and useful introduction."--The Greek Rreview  
"So much better than the corresponding Penguin translation of

Hesiod. The introduction is splendid."--P. Walcot, University College, Cardiff"...An edition with a stimulating Introduction, a very readable translation."--JACT Review

Hesiod, the early Greek poet and rhapsode who presumably lived around 700 BCE, serves as a major source for knowledge of Greek mythology, farming techniques, archaic Greek astronomy and ancient time-keeping. M.L. West is a Professor of Greek at Royal Holloway and Bedford New College, University of London.

The poems are printed with small print so it is a bit hard to read them. Also, there is no indication of line numbers other than a notation at the top of each page saying the line range for that page.

This was a very informative text. I learned a great deal about the Olympians and the Titans. It cleared up fuzzy details and introduced new entities. Recommended reading for all those interested in the myths and legends of ancient Greece.

I love this book! It arrived in great shape and in a timely manner. This book is an invaluable resource for anyone interested in the development of Hellenic religion and beliefs. A must have for anyone interested in Greek culture.

Lost my first copy a few years ago. I have finally gotten another copy and I am not disappointed in the copy at all. As good as my old one.

This is told by Hesiod in terms of the present into the past. So lineage and genealogy isn't always revealed in birth order. He speaks of characters before they were conceived then goes back.

This version of the Hesiod classics has not been plumped up to carry the story over better but instead gives an accurate translation. This means that it may not be your best read ever but you get it how it was written. For those that want it that way for research purposes etc, this is perfect. For those that want it filled out with story elements added from other sources (therefore potentially for more entertainment) then this is not for you. For me, I got what I wanted so happy.

Good classical read.

Fine.
