Appetizers

Synopsis

Cindy Pawlcyn's favorite small plates—appetizers, soups, salads, and snacks—collected from her previously published books, with 10 new recipes from her restaurants. Cindy Pawlcyn's legions of fans have long made meals of her restaurants' sampler-size starters. Bringing home the biggest trend in eating out, CINDY PAWLCYN'S APPETIZERS offers a tempting collection of recipes designed to satisfy big appetites as well as grazers—from Grilled Oysters to Gougeres and Pepper Garlic Wings to Mustards' Famous Onion Rings. Mouthwatering photographs of finished dishes and sun-kissed wine country ingredients and a kitchen-friendly easel format make this portable Pawlcyn an appealing gift package. "Chef Cindy Pawlcyn is a trailblazer in our industry. Her talent and energy have helped shape the culinary landscape in the Napa Valley as we know it today." —Thomas Keller "Cindy's cooking is a source of pure joy—delicious, regional, creative, reflecting her warm, happy personality." —Margrit Mondavi

Reviews

This guide to apps before entrees is a feast for the eyes—we almost licked the page with the Duck, Olive and Fig Skewers. But it's also mighty handy, printed with a page-at-a-time spiral binder that stands upright while you cook. (Cue the deep-rooted regret at not having thought of it first.)

Tampa Tribune

A great little collection of appetizer recipes, from simple to sophisticated, and printed in a handy, foldable binding that allows the book to stand on its own on the countertop.

Milwaukee Journal Sentinel

* Cindy Pawlcyn's favorite small plates--appetizers, soups, salads, and snacks--collected from her previously published books, with 10 new recipes from her restaurants. * Her MUSTARDS GRILL NAPA VALLEY COOKBOOK won the James Beard Award for Best American Cookbook in 2002.

This book stands up so you can flip to the recipe you're using - very sturdy book and case that it slides back into. Not all recipes are easy, but it sure gets you thinking about how you can use these for dinner for 2 or dinner parties or sports' days. Cindy never disappoints.

Great book, quality, great recipes. Every time I am planning an event I pull at least one or two new recipes out and they have always been great! Love Cindy Pawlcyn...and glad she is letting her recipes out there for us to have a bit of her tastes at home.

I found this book uninspiring. I was disappointed.

First, this is not a book. It has a built in stand. This makes it feel much more dense than it really is. As for the recipes...very good. I like that variety. I found much of the information to be new, to me at least. What is it with all of the expensive ingredients. Truffle oil...C'mon...I'm on a budget. I think it is thin for the price. The information is good. I have not been able to find duplicate recipes on line elsewhere.

Kudos to Ten Speed Press for the creative presentation of this little cookbook that can be folded to stand up for ready reference while the cook follows the recipes. This is good, because the list of ingredients and manipulations will require considerable time and attention from the cook, especially if he or she is working alone. So the real question, then, is whether or not all the groceries and prep work are worth it. Generally, the answer is Yes, and this book will help cooks understand why Cindy Pawlcyn's cooking is extraordinary. The book also may make cooks more aware of the support that marquee chefs get from their cadres of sous-chefs. I suspect many cooks, like me, will extract some

flavor combinations and pairings from this little cookbook and will move on.
