## Synopsis

"You absolutely can make holiday meals with ease and with pleasure!" says slow cooker champion Phyllis Pellman Good. Her latest collection, *Fix-It and Forget-It Christmas Cookbook: 600 Slow Cooker Holiday Recipes*, will fill your head with menu ideas, give you gentle guidance with each recipe, and deliver dishes that your friends and family will love. "Stop your fretting. Put an end to the nightmares. Get out your slow cookers!" Good urges. "These are 600 stand-out, slow cooker recipes; all from home cooks from across the country. "These are 600 manageable, slow cooker recipes; from cooks who want to feast with their loved ones without being exhausted and frazzled." Skyhorse Publishing, along with our Good Books and Arcade imprints, is proud to publish a broad range of cookbooks, including books on juicing, grilling, baking, frying, home brewing and winemaking, slow cookers, and cast iron cooking. We've been successful with books on gluten-free cooking, vegetarian and vegan cooking, paleo, raw foods, and more. Our list includes French cooking, Swedish cooking, Austrian and German cooking, Cajun cooking, as well as books on jerky, canning and preserving, peanut butter, meatballs, oil and vinegar, bone broth, and more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

It's not just for Xmas! You may use it every day!

Best book ever! I order this one it on the way already have one but gifts are good for friends

I originally bought this for my son's girlfriend as a Christmas present. I have several Fix It and Forget It cookbooks already so it was only natural that I would want to add this one to my collection. I have found many wonderful recipes in this one that I have already cooked for my family. The only problem is finding time to cook more. Thank goodness for crockpots and Fix It and Forget It cookbooks!

I love all the Fix-it & Forget-It books, so when I saw this Christmas Cookbook, I just had to get it; it is packed with fantastic Christmas & holiday recipes. I am going through it now to make a plan for what to serve during the holidays for next Thanksgiving and Christmas dinners!

I bought this used so it was fairly inexpensive and there are definitely enough new good recipes to make it well worth my cost. I own another of her cookbooks and have bought her books as gifts for each of my kids when they set up housekeeping. Along with my children with homes and families - my college-age son uses one right now in his campus apartment. I recommend owning at least a couple of her crockpot cookbooks. This one can be used all year not just during the holidays - - - a nice go-to cookbook during hectic ( re: everyday! ) times.

This recipe book has a lot of easy recipes that I will eventually try. My husband is a meat and potato kind of guy that I plan on serving some of these out of the ordinary slow cooker recipes. Thanks for writing out for all of us, Phyllis Good. Amarillo Turtle

This looks greatHave taken a fast look see ~~~ Christmas cooking will get an early start!!

The writing in the cookbook was too small to read. The recipe worse so confusing.
