## Customer Reviews

With more than 63 million cookbooks sold since 1950, Betty Crocker is the name readers trust for reliable recipes and great ideas. For over 75 years, Betty Crocker has provided advice to millions of Americans through cookbooks, magazines and television.

I didn't check other reviews and missed that most of the recipes require Betty Crocker cookie mix to make! First ingredient is Betty Crocker Cookie pouch... No thanks, I like to make cookies from scratch. So I returned it immediately.

Excellent book with plenty of good recipes for Christmas cheer. Covers everything about cookies to bars and includes brownies. Nice treats for the holiday season family and guests.

I grew up on Betty's cookies and this is FULL of an entire parade of lovely ones! Fun reading in October, November and for making from October to December and beyond!

The only thing I didn't like about this book was that some of the cookie recipes called out for using Betty Crocker's boxed mixes - I'd rather make homemade from scratch cookies than use a recipe that tells me what boxed cake/cookie mix to buy.

This book has a variety of different recipes but they all start with the Betty Crocker pre mixed package. I would prefer that it included recipes from scratch rather than the pre mixed version. I will have to tweak the recipes a bit.

Many of the recipes use boxes of Betty Crocker stuff. This is not like the "from scratch" Betty Crocker cookie book I grew up with.

I was so thrilled after my initial flip through the pages of this book, I immediately ordered another for a young friend with children who loves to bake cookies. I enjoyed making some of the cookies, but they made a list of their favorites, many of which they made.

Excellent, fast service from this Bookseller!
