Customer Reviews

Martha Stewart's Christmas remains a classic cooking and decorating guide for the Christmas season. The book can be viewed as an elaborate timeline for preparing for December 25--indeed, Martha claims the book was written and photographed in "real time" from the day after Thanksgiving through Christmas Day. Along the way, Martha teaches you how to make plum pudding, 24 different types of cookies, and a holiday party menu featuring cassoulet for 100. For Christmas Day dinner, a towering croquembouche is perhaps the finest culinary feature of the menu, which features roast ducklings with wild rice, chestnut, and cranberry dressing. Martha also provides tips on decorating trees, making ornaments, gift-wrapping papers, and making beautiful wreaths and topiaries. There's even advice on making up gift baskets of the cookies, conserves, and puddings that you've created yourself. Martha herself admits that "it's true, we did get carried away"--she creates an elaborate gingerbread mansion--but most of the recipes and crafts are easy to follow and produce great results. Martha Stewart's Christmas is a real gift. C.B. Delaney

The paperback edition of the best-selling book in which Martha Stewart invites readers to join in her

Christmas celebrations as she decorates her home, wraps special gifts, and prepares luscious meals for her friends and family throughout the holidays. Full-color photographs.

A must for diehard Martha fans, shows her beginnings and how far she has come. Lost my original copy, this is the replacement copy for me. Try the gingerbread!

I loved the 'feel' of this book, very festive. The presentation is beautiful. What disappointed me a little was that there was no pattern for the gingerbread mansion that was featured in the book, which was the main reason I bought it. It's a little too easy for me to just be told to 'use your imagination' and 'the possibilities are endless'. I expected more! Other than that, it is a very nice addition to my book collection with timeless ideas and inspirations, or just to browse through when Christmas season comes around.

This book has wonderful recipes and crafts that celebrate Christmas! It came carefully packaged and great shape. I recommend this for anyone who loves to entertain at Christmas. 5 star book!

A classic Christmas book that gives all sorts of tips to make your Christmas shine.

Great condition

thank you

Lost my old one and wanted some of the Christmas recipes. Martha Stewart always has good books for the Christmas Holiday.

This book is Fabulous! deanna
