From The Sands Of Dorne: A Feast Of Ice & Fire Companion Cookbook

Synopsis

Prepare your palette for more than a dozen all-new recipes in this eBook-exclusive companion to the official Game of Thrones cookbook! Discover the tastes of Dorne, including one dish from *The Winds of Winter*, the highly anticipated next chapter of George R. R. Martin's beloved series, *A Song of Ice and Fire*. The most culturally distinct region of the Seven Kingdoms, Dorne is the sun-soaked desert land characterized by its unique customs and brash resistance to the Iron Throne. The Dornish people are known for their bold passions—perhaps best exemplified by the Red Viper himself, Oberyn Martell—and this fiery temperament has yielded a perfect pairing: their delicious cuisine. Packed with fresh flavor, zesty seasonings, and plenty of heat, this eclectic sampling of Southern delights can be enjoyed all year round, with savory fare to warm your bones in Winterfell and frozen desserts to help you keep cool in Sunspear. Inside, you'll find:

- Succulent starters: Lemon-Egg Soup; Spicy Shrimp; Roasted Chickpeas.
- Mediterranean-style mains: Lamb with Honey, Lemon, and Fiery Peppers; Eggs and Spicy Sausage; Green Peppers Stuffed with Cheese; Spicy Flatbread.
- Tasty treats: Blood-Orange Granita; Candied Kumquats; Figs Stuffed with Nuts.

With all the imagination, authenticity, and tongue-in-cheek humor that won *A Feast of Ice and Fire* a cult following, *From the Sands of Dorne* is an oasis for foodies everywhere.

Gorgeous! I always have big plans to make several of the dishes featured in this book- have tried a few during the holidays and they're great! The book is lovely, reads clearly and is easy to follow, photography is scrumptious and it's such a great idea! A treat for any GRRM fan! :)

I love this cook book. Any GOT fan should own it. I have almost made all the recipes and we have really enjoyed them. I make a meal every Sunday night for GOT for my family and friends. It's been a real hit!

As a fan of the original cookbook this is a great addition for anyone who, like me, loves spicy food and though the Dornish chapter was one of the best.

A much shorter chap book that expands the selections from A Feast of Ice and Fire, but the recipes are again outstanding.

LOVE love love the recipes - especially the ancient ones. So much fun tasting and exploring some great food.

Not as good or developed as the first cookbook; but this supplement is interesting, if a bit brief.

Excellent book, but the ingredients can be a bit difficult (or expensive) to get.

A great theme inspired cookbook with lots of fun, easy recipes and a Game of Thrones touch.
