Customer Reviews

After a career as a publisher, Richard Rosenfeld became a freelance garden journalist. He was voted Garden Writer of the Year in 1993 and has written 14 gardening books, including Colour in Your Garden (Hermes House) and the recent Tricks With Trees (Pavilion) with Ivan Hicks. He has been a regular contributor to the Sunday Times Magazine, the Sunday Telegraph, the Sunday Express and the Daily Mail, and has designed gardens in Italy, America and England.

I borrowed this book from the library several times. Finally I got smart and decided to buy it. It is well done and easy to understand. I believe that it will more than pay for it's self with all the "free" plants I will be able to get from it!

Quality vendor product as described
