Customer Reviews

My fiance and I both have medical issues, and after months of research, I've found that going back to a whole food diet can reverse the problems. We started drinking smoothies at Jamba Juice, and saw an increase in energy and weight loss; so being able to create these smoothies and juices at home save time and money. All this is possible because of JP Brown. I will recommend this book to everyone and anyone in my situation. Thanks for helping us to live.
