Customer Reviews

Founded in 1996, Indianapolis-based TF Publishing (TFP) is one of the nation's top publishers of calendars and dated stationery products. Setting the bar for top-notch quality, a broad range of designs and licenses, and unmatched service, TFP continues to earn the trust of retailers and consumers alike.

NOT HAPPY! I ordered this after looking at the pictures to make sure it was formatted on the daily pages like last year's calendar as I discovered that different patterns had different designs for those pages. Last year's calendar was PERFECT and I had 2 other colleagues purchase this thinking it would be the same set up. My first issue is that the calendar pages for the year are at the front and then the daily pages are in order after that (The previous calendar had a monthly calendar followed by that month's individual days). This calendar also does not have tabs for easy access to each

month. Finally, this does not have the plastic protective covering the last one had. Very upset with my purchase and cannot return as I realized after I wrote on the first month calendar that the formatting was not functional for me. :(
