# Disorder In The Court: Great Fractured Moments In Courtroom History

## Synopsis

In America's courtrooms, the verdict is laughter. Sit back and enjoy a collection of verbatim exchanges from the halls of justice, where defendants and plaintiffs, lawyers and witnesses, juries and judges, collide to produce memorably insane comedy. A: You mumbled on the first part of that and I couldn't understand what you were saying. Could you repeat the question? Q: I mumbled, did I? Well, we'll just ask the court reporter to read back what I said. She didn't indicate any problem understanding what I said, so obviously she understood every word. We'll just have her read my question back and find out if there was any mumbling going on. Madam reporter, would you be so kind? Â Court Reporter: Mumble, mumble, mumble, mumble, mumble.

## Book Information

Paperback: 255 pages

Publisher: W. W. Norton & Company; Reprint edition (August 17, 1999)

## Customer Reviews

Misstatements from the courtroom--legalese marred by malapropisms, slips of the tongue, eccentric interpretations and profanities--are gleefully quoted in this compilation. Copyright 1993 Reed Business Information, Inc. --This text refers to an out of print or unavailable edition of this title.

Court legalese, often combined with malapropisms and slips of the tongue in exchanges between judges, lawyers, plaintiffs, defendants and eccentric jurors, is gleefully quoted here Readers will undoubtedly cull their own favorites from this irreverent sampling of 'justice' in action. "

great stuff...and we think lawyers are smarter than us....very funny.....shows the goofiness of lawyers.....my son in law is one....smart guy but black and white guy and common sense

....none.....just like the book

Courts, when trials are taking place are understandably usually dreary sombre places. Humour to be interesting and humorous has to be unforced. The incidents in this book illustrate that the people involved in court cases are after all human and so they err for our entertainment.

The best part was in the preview.

gift for a CSR friend and she loves it

Extremely funny

I bought this for my son. He read me excerpts, roaring with laughter, and finished the book in a day. I'm glad I bought it.

Really funny!

I love it.
