# Halloween Treats: Simply Spooky Recipes For Ghoulish Sweet Treats

## Synopsis

There's nothing more exciting for them than hosting their own Halloween party, complete with ghoulish sweet treats. In this spooky new book, queen of cakes, Annie Rigg, turns her hand to simple, cute and creepy cakes, cookies and other edible sweet treats to delight any Halloween-loving child. You'll find chapters on Cookies; Cupcakes; Big Cakes; and Other Treats. Kooky recipes include cookie ghouls, gingerbread witches' hats, spidery cupcakes, and jack-o-lantern cookies. There are also simple recipes for bite-size treats like eyeball sweets and chocolate witches' fingers. The easy ideas are suitable for the home baker, whether you have experience of baking or not. Some of the recipes are even straightforward enough for children to help you make.

## Customer Reviews

Annie Rigg is a freelance food stylist and writer and has worked on numerous books and bestselling magazines. In another life she cooked for a number of world-famous singers and bands on tour, such as Tom Jones, Paul McCartney, Pink Floyd and The Rolling Stones. For Ryland Peters & Small, she has also written *Baking for Baby*, *Make, Bake & Celebrate!*, *Decorated Gingerbread*, *Macarons*, *Fabulous Brownies*, *Holiday Cupcakes*, *Birthday Cakes for Kids* and *Decorating Cupcakes, Cakes & Cookies*. She lives in the idyllic English countryside of Warwickshire but divides her time between there and London.

This cute, pint-size book offers a "greatest hits" collection of recipes for now ubiquitous treats like severed finger cookies, meringue bones, cobweb and mummy cupcakes. The photography and design is beautiful, however, the recipes have only been minimally adapted for American audiences so some of the directions are somewhat perplexing on first read. Caster sugar? Preheat the oven to Gas 4? Fruit pasties? Come on publisher. Halloween is a quintessential American holiday. You couldn't give this lovely styled book a quick rewrite?

I bought "Halloween Treats" because I was looking for fun recipes to make for my best friend whose birthday is Halloween. The recipes are really nice, but fancier than I care for and I'm really not into fancy decorating cookies etc. I think it's a great cookbook for folks, ladies especially who really like decorating things more than I do.

Cute little book with some great ideas for Halloween.

Halloween is one of my favorite holidays. Carving jack-o-lanterns, dressing up for trick or treating, watching horror movies. The only thing that has been missing from our annual traditions is one that is more closely associated with Christmas: baking desserts. Thanks to Annie Rigg's Halloween Treats: Simply Spooky Recipes for Ghoulish Sweet Treats, that is changing. Coffin sandwich cookies, mummified cupcakes, large cakes covered with bats, ghosts, or spiderwebs, meringue bones...there are so many great recipes to choose from here. Some of the recipes are easy enough for children to help with, while others are designed for the more experienced bakers, but there is definitely something here for everyone. The step-by-step directions are easy to follow, so you will be able to delight all of your frightful friends, young and old, with these Halloween goodies.
