Customer Reviews

I had already purchased this book at school that was a 3 in one Halloween book in hard back and loved it. I saw this one on sale for Kindles/I pad and couldn't pass it up. The recipes with minor

changes are great all year long. Would be a great help with kids birthday parties. I love when I'm somewhere and can just read it on my I pad. I've already tried some of the recipes and they are great and all have been easy so far. I'm really glad I got it.

Taste of Home Halloween is a cute kindle-friendly magazine featuring a number of delicious fall favorites, each recipe includes a picture. I made the Yummy Pork Mummy and it was a big hit. There are also a number of exciting fall-themed desserts like Pumpkin Patch Torte, Jack-o'-Lantern cream puffs and Halloween Geletin cutouts. These recipis are repeats from the Fall and Halloween-themed issues of Taste of Home, but it is nice to have an electronic copy for my archives.

Great pictures are helpful. Good ideas easy to follow. I am planning to make several of these recipes. Thank you.

Halloween is my favorite holiday and Taste of Home my favorite magazine.....so what could be better.I love how they have a picture of everything your going to make, it's so important for me to see how it is supposed to come out! Filled with lots of awesome ideas from front to back!

I love Halloween, and I love this little cookbook. It is filled with really cute ideas for Halloween, and some are so simple even young teens can make them. This is beautiful on the Kindle. I only wish the TOC was a little more Kindle friendly, but it's worth it!

Everything I'd expect from Taste of Home. Many original recipes that are easy to follow. Pictures of every one is perfect!

I didn't find it very helpful.

Had some new recipies I had not tried before. Will be a Halloween staple for me and my family to be sure.
