## Customer Reviews

• Kathryn Bard's thorough and very up to date revision of her excellent Introduction assimilates impressively the continuing flood of research in Egyptian archaeology and of new discoveries. Reworked major chapters highlight issues that are important for the archaeology of all early states. • John Baines, Oxford University • This is a history of ancient Egypt as seen through the lens of archaeological discoveries. Well written and approachable, this volume will engage students and scholars alike. • Ronald Leprohon, University of Toronto • A comprehensive approach to the archaeology of one of the world's great ancient societies, this important resource is now admirably updated to keep abreast of the latest developments in Egyptology. • Peter Der Manuelian, Harvard University

This guide to Egypt's ancient past takes the reader from prehistory, through the pharaonic dynasties, to the Greco-Roman period. Providing a thorough grounding in ancient Egyptian culture, monuments, and civilization, this second edition has been updated to include recent discoveries in the region's archeology. With sections on major points of interest, such as constructing the Great Pyramid at Giza, the process of mummification, and the art of deciphering hieroglyphs, the book includes a wealth of illustrations ranging from color photography of artifacts to site maps and building plans. The comprehensive treatment extends to the enthralling history of archaeology in Egypt, and includes chapters on the Paleolithic and Neolithic periods as well as the rise of early civilization in the region. Covering ancient Egyptian chronology, language, geography, and specific archaeological sites, *An Introduction to the Archaeology of Ancient Egypt* is an invaluable resource for students and an authoritative guide for the many non-academic readers captivated by this popular topic.

This book is a must for anyone wanting to know about Egyptology. Very thorough will useful appendices for further study. Worth every cent I paid

Good book if you're interested in the history of ancient Egypt. Very clear and straightforward, though perhaps a bit dry.

great book

as described
