The Cakebread Cellars American Harvest Cookbook: Celebrating Wine, Food, And Friends In The Napa Valley

Synopsis

Every September during harvest season, the Cakebread family invites five up-and-coming chefs and a host of local farmers to their winery for a weekend of tasting, talking, cooking, and sharing. A whirlwind short course in winemaking, viticulture, and artisan food production, the American Harvest Workshop heats up as the sun goes down. Each evening, the chefs come together to plan and execute two multicourse dinners using a market basket of ingredients from the Cakebread's™ favorite purveyors. In *The Cakebread Cellars American Harvest Cookbook*, Jack, Dolores, and culinary director Brian Streeter present 100 recipes and wine pairings developed by workshop chefs and the winery in honor of the twenty-fifth anniversary of this groundbreaking annual event. These spectacular dishes—from appetizers to entrees and desserts—are adapted for home cooking in this delicious exploration of Napa Valley's™ food and wine culture. Many of the world's™ leading chefs have attended the workshop and their recipes are here, including Gary Danko's™ Mediterranean Summer Vegetable Gratin, Nancy Oakes's™ Warm Chopped Liver Crostini with White Truffle Oil, Hubert Keller's™ Provençal Garlic and Saffron Soup, and Alan Wong's™ Pan-Seared Sturgeon with Thai Red Curry. For dessert, just try to choose between Charlie Trotter's™ Chocolate-Praline Bread Pudding with Cinnamon Cream and Marcel Desaulnier's™ Caramel-Banana—Chocolate Chip Ice Cream. Guidelines for wine and food pairing are presented along with profiles of the winery's™ finest purveyors, from Cowgirl Creamery and Hog Island Oyster Company to Liberty Ducks, Broken Arrow Ranch, and Fatted Calf. This unique collection celebrates a quarter century of workshops—and the chefs, winemakers, and farmers who come together each year to cook, eat, and drink from the bounty of Napa's™ vibrant wine country.

This book has some great recipes! I love that it’s seasonal so you can use the best ingredients at

certain times of the year. But some of the recipes can be very time consuming and at an intermediate level. Also, I prefer cookbooks with pictures of every recipe, so I know exactly what it should look like when finished.

This book has many excellent recipes using fresh ingredients and wine. The many recipes for seafood, salads, sandwiches, soups and appetizers are creative. The history of the winery is included.

Nice book

The cookbook was a gift that the receiver really wanted. The service was excellent. No problems only praise that I was able to purchase the book at a reasonable price and receive shipment in time for the birthday.

This is not the world's worst cookbook and it is well written. However, I was not looking to purchase publicity for Cakebread Cellars. I thought that the recipes would be better and that there would be more of them. So many people at give 4 or 5 stars just because a book was published.
