Her most recent book, "Jack McAfghan: Reflections on Life with my Master" has comforted thousands of readers, helping them through the process of grief. Life is the school, love is the lesson and we're all here to learn everything we can about living, loving, losing, letting go and becoming more than we ever were before.

What a wonderful, comforting book. As always, Kate and Jack share a wonderful tale about a story of life that doesn't end when a beloved leaves for the Rainbow Bridge. It's a reminder that while our stories together here on Earth may come to a pause, they never end.

I am an avid fan of Kate. The tale of Lizard really touched my heart. Her books have helped me heal and be able to cope with the grief of losing my babygirl Lady. I highly recommend her books to anyone that has lost their beloved pet.

I loved this book. Directed at those who've lost a beloved furbaby, but it's applicable to any grief situation. A deeply spiritual book, I recommend it to anyone going through the stages of grief.

I read this book from beginning to end in one setting. Outstandingly keen insight written through Kate McGahan...one of the most compassionate, gentlest, loving individuals to walk this earth. Truly inspirational!!

A Delightful story for just about anyone. Sort, but the length is just enough.

Excellent continuation of Jack McAfghan. Well worth reading.
