## Customer Reviews

Love these bears! I have not yet made them. I purchased this bear pattern as I collect animal crochet patterns as that is what I love to crochet.

This pattern booklet has easy to read and follow instructions for these cute little huggies. The instructions also may be used to make other little characters. There are photos that make you fall more and more in love with Amanda and Annie, even with the misspelling on the cover. The booklet is downloadable. I have it on my Kindle.

Cute patterns, poor English grammar. Not for a beginner.

Si me gusto esta muy claro y sencillo de leer para los que no sabemos mucho acerca de como tejer en crochet
