Customer Reviews

This excellent quantity for food production book has carried on a tradition of clearly explaining the full range of procedures and techniques involved in large-scale food preparation. Updated coverage reflects trends in tastes, the growing interest in nutritional values, and the increasing call for catering and party service by food service organizations. In addition to basic information, guidelines, and generally accepted methods of food preparation, Food for Fifty, Ninth Edition includes over 200 full-tested recipes for everything from main dishes to desserts, plus formulas for staples, guidelines for menu planning, roasting and cooking timetables, specifics of food quality standards, service requirements and table setting diagrams, wine selection guidelines, and recipe/measurement conversion tables. For professionals in the food service business of restaurant, catering, nutrition, etc.

This book came in great shape as described, it has good recipes for large crowds. I bought this book for my husband he works in a large retirement facility so this book has good ideas on all dishes for his job.

This is a must for people who cook for a living. I call it "The Bible" of cookbooks.. Well over \$100 new, I bought mine for a little over \$20 used and was pleasantly surprised when I received it and was in beautiful condition. Almost like new.. Very nice!

this book is a must have for all quantity cookin chefs... love the classic recipes and the quality that this book came in was awesome. THIS BOOK WAS IN EXCELLENT NEW CONDITION...and an AWESOME price!!! I will be back!!

great for large crowds

It is very informational for cooking for large quantities in nursing homes and day caresw, chruches and the recipes are wonderful.

Great book if you are looking for help when planning meals for large groups of folks. Glad i found this!

Very informative, the book covers just about any questions you might have about buying, preparing and storing food. Can't get enough of this book.

Arrive in great shape.
