The Snacking Dead: A Parody In A Cookbook

Synopsis

For fans of AMC's *The Walking Dead*, Max Brooks, and all things zombies, the clever creators of *Fifty Shades of Chicken* hack a new parody cookbook filled with snacks for every occasion, tips for cooking under duress, and a love story that will send ripples down your spine--all accompanied by food photography that will ignite your palate. At the heart of this cookbook is Pam Beaumont, who must fight the dead and feed the living. The apocalypse is no picnic, but she survives on quick bites and on her love for Daryl, a backwoods badass with a crossbow who reminds her that she has more than one appetite. From brain food to finger food, and from sticky sweets to killer cocktails, the 50 recipes in this cookbook parody are guaranteed to grab you. The zombies have their snack plan--do you have yours? Snacks include: Sweetish Fleshballs Nachos of the Living Dead Elbows Casserole Crabby Prepper Puffs Survivalist Hero Dire Ham Biscuits Cold-Blooded Ice Cream Sandwiches Gratuitous Violence Jello Mold and more.

Customer Reviews

D.B. Walker is a pseudonym. Walker also wrote *50 Shades of Chicken*.

This was purchased as a Christmas gift, but I have to confess I read it before wrapping it. I'm a huge fan of the *Walking Dead*, and I found it to be mildly entertaining, with some great recipes thrown in. It will not be the best literature you've ever read, but it will be a lighthearted way to spend about an hour reading. SPOILER ALERT: Not everything ends well in the *Zombie Apocalypse*! Let's hope your recipes do!

Great Book!!!! If you love the show, "The Walking Dead" then you will love this cookbook. The names of the meals are awesome....it's really gruesome BUT really creative. I purchased the book for a gift and they were really excited.

A must for zombie lovers....receipes are the life of any undead themed gathering...makes an entertaining gift as well. MAny of my friends are jealous that I was lucky enough to own the Snacking Dead....If they don't purchase their own copy before their birthdays -I know just what to get them!

super fun book and the recipes we have tried have been pretty tasty!

Pretty funny, and some tasty recipes! Also cracks me up the author is named "Walker" LOL

Easily the most fun to read cook book that I own, and the recipes are good too. Although, I did have to reduce the time on the calzone recipe because they burned the first time that we tried to make them. 15 minutes was too long for our stove, but 10 minutes works just fine.

Great gift! I gave my aunt a baking themed gift for Christmas, and she loves the Walking Dead so this was perfect. Funny book with awesome recipes. I want one for myself!

This is a cookbook, yes. The recipes look good, but not exactly unique. The photography is well done, the pages are a nice heavyweight paper with a satin finish, and the outer cover is high quality and has that rubbery feel to it. That rubbery feel is cool...except for the fact that this book will be handled, bumped, laid down, put up....you know, used. The cover shows every little fingerprint, smudge, bump, scratch, etc. Ours actually came in with smudges and a few small dents. The binding is really nice, but almost too tight for a cookbook that will need to lay open while in use. All of this could be overlooked, although the cover finish is seriously lacking in forethought. What makes this a HUGE let down is that it falls really, really flat on theme. The buyer is given the impression that this will have that The Walking Dead creepy/gross feel. From the title, description, and images shown I thought this book would both wet my appetite and make me lose it simultaneously. It doesn't even come close it. If you just have to have another cookbook, then go for it. Just don't have high expectations because you'll be setting yourself up for disappointment.
