JODI BEST originally began creating doodles as a birthday present for her mother who loves to color as a way of relaxing. Jodi lives in Maryland with her husband and children and loves showing her children how art can be both a process and a product to help us learn about the world around us.

This is the best coloring book I have ever ordered. The artist was so detailed in her drawings and each page was so fun to color. I also loved the variety of pictures that fell under the winter

wonderland theme! I would 100% buy another coloring book from this specific artist. Oh and I also bought a few for gifts and I have already heard from others how much they loved this book as well! What an amazing artist!

I am new to the adult coloring world but have fallen in love with it! Love the Zendoodle line!

Wonderful artwork and a good mix of intricate and some less detailed coloring pages to suite whatever mood you are in. The artwork makes me feel warm and cozy while highlighting the beauty of the winter season! Highly recommend!

What great winter scenes for the whole family to color! Technical enough for adults and fun for the kids! I hear the author/artist is coming out with another book in Spring 17! Can't wait!
