Gary Greenwald became a Christian as a young boy, but it was not until the dynamic infilling of the Holy Spirit at age 26 that his life became powerfully effective witness for the Lord. After several years of teaching Bible studies, showing Christian movies to young people, and supporting various outreach ministries, Gary was used by God to launch the Eagle's Nest Ministries on what he called the "Eight W's" of ministry: Waiting on God, the Word, Worship, Witness, Works, Warfare, and Wealth to reach the World. Pastor Gary has traveled throughout the United States and many other countries, preaching and ministering with signs following. Having been miraculously healed and delivered from polio, encephalitis, ileitis, and Bright's disease, God has anointed him with special gifts of healing, faith, and miracles. Pastor Gary's popular television program, "Eagle's Saints Arise" has been seen across America. Speaking on contemporary subjects as well as Biblical theology, his

unique messages have brought salvation, healing, and deliverance to multitudes. Many have characterized Pastor Gary as a man after God's own heart. His vision includes raising up the Eagle's Nest as an evangelistic center and equipping the end-time army of the Lord to do mighty exploits in the name of Jesus. Because of his wide-ranging accomplishments, he has been recently honored with an honorary doctorate from Christian International School of Theology.

I have lost count of how many times I have given this book away. It is one of the best reads I have ever encountered and is a wealth of information and insight into the ways of the enemy and how he sabotages relationships. I highly recommend this book.

Great Book!! Have recommended it to many. Each person has shared the content of information with others. This book is a life "changer". One person took my personal book because the contents of information was so useful to her. I had to order another for myself.

i read this book when I was in my early teens. I don't recall much from it, but i knew i had to revisit this book again. I did and oh boy the enlightenment was amazing. Its a MUST READ BOOK

It is a very great read and very informative explaining the types of ungodly soul tie relationships and how they can occur. I did wish that the book was entirely on soul ties instead of a section of the book. I also wished that it focused more so on practical applications as to how to recognize and rid yourself of soul ties.

This book blessed my soul! It opened my eyes and showed me that as children of God we must be careful of who we link ourselves with. We must walk by the spirit and not by the flesh in order not to be deceived by people or the devil.

This was so on point. I have heard and study this information before. But, it was a much needed reminder in this season of my life.

Once I started reading this book, I couldn't put it down. it really opened my eyes to learn a lot of things i wasn't aware of: like how spirits can be transferred, the dynamics of soul ties, & other spiritual truths. I would recommend this book for any one who wants to break free from addictions, negative habits, or learn deep spiritual truth.

This book was very eye opening...I would recommend it to all Christians. It helps shed light on why some things may be happening in your life. I have read it and will be referencing it as time goes on.
