# Awake At The Bedside: Contemplative Teachings On Palliative And End-of-Life Care

## Synopsis

This book isn't about dying. It's about life and what life has to teach us. It's about caring and what giving care really means. In *Awake at the Bedside*, pioneers of palliative and end-of-life care as well as doctors, chaplains, caregivers and even poets offer wisdom that will challenge, uplift, comfort and change the way we think about death. Equal parts instruction manual and spiritual testimony, it includes specific instructions and personal accounts to inspire, counsel, and teach. An indispensable resource for anyone involved in hospice work or caregiving of any kind. Contributors include Anyen Rinpoche, Coleman Barks, Craig D. Blinderman, Bhikkhu Bodhi, Joshua Bright, Ira Byock, Robert Chodo Campbell, Rafael Campo, Ajahn Chah, Ram Dass, Kirsten DeLeo, Issan Dorsey, Mark Doty, Norman Fischer, Nick Flynn, Gil Fronsdal, Joseph Goldstein, Shodo Harada Roshi, Tony Hoagland, Marie Howe, Fernando Kawai, Michael Kearney, Elisabeth Kubler-Ross, Stanley Kunitz, Stephen and Ondrea Levine, Judy Lief, Betsy MacGregor, Diane E. Meier, W. S. Merwin, Naomi Shihab Nye, Frank Ostaseski, Rachel Naomi Remen, Larry Rosenberg, Rumi, Cicely Saunders, Senryu, Jason Shinder, Derek Walcott, Radhule B. Weininger.

## Customer Reviews

Excellent collection of essays poetry etc. especially like the quality of the cover and paper especially this day in age with everything bring electronic

Not all of the essays and poems spoke to me, of course, but most did. If you are willing to pick and choose, this is an excellent collection.

Found comfort in this book while I was at the bedside of a loved one. Well written and easy to read. I recommend it to all who are trying to figure out how to be with someone who is dying.

Very informative with good guidance. I have been with our local, Not For Profit Hospice, as a Volunteer and Speaker/Ambassador for multiple years and enjoy reading of experiences from others that are involved with 'end of life' patients/families. The emotional rewards are unexplainable but cherished.

well written and very informative.

This was for my husband, although he had me read some sections. He liked it so much that he's keeping it to re-read. He does not generally keep books. This was well worth the price.

Wonderful collection of writings about being present for people near to death.

Bought as gift for friend in the profession
