In The Crosshairs: A Sniper Novel (Kyle Swanson Sniper Novels)

Synopsis

The Central Intelligence Agency is under attack, and so is its top field operative, Kyle Swanson. The highly decorated former Marine Corps gunnery sergeant is attending the funeral of a friend when a terrorist blows up the grave. A week later, he narrowly survives a grenade attack in Berlin. In Washington, Congress is being told that Swanson has been turned, his private employer is corrupt, and the Agency itself cannot be trusted. Swanson is assigned to find the root of the problem and is partnered up with Luke Gibson, a skilled operative rated as being almost as good as Swanson. They are looking for assassin Nicky Marks, who also was a CIA shooter but now works for a shadowy power broker known as The Prince. But before Kyle and Luke can eliminate the threat, they must identify and find the man who wants them dead. That takes them from the pink poppy fields of Afghanistan to the jungles of Southeast Asia and the streets of America as they learn that the Prince is the ruthless kingpin of a global drug empire that uses CIA planes to transport opium and heroin. Swanson also lines up a secret partner, the beautiful widow of his friend whose grave was desecrated in Mexico, the sharpshooting former commando Beth Ledford, who has her own agenda of pure retribution. Kyle Swanson, at the worst possible moment in a combat showdown, must decide: Do you trust your partner, and if so, which one?

Customer Reviews

this is the latest in the series following Kyle Swanson, a former marine sniper now a top agent with the CIA. In this book he is out to trap a rogue agent who killed one of his closest friends.

Here is the next chapter in Kyle Swanson's life and it is a whirlwind of intrigue. This story keeps you going as it unwraps its many layered parts. Just a fantastic tale.

Coughlin did a fine job of mixing just enough realism and fiction to make the story believable along with his knowledge of weaponry.

I. Almost did not buy this book based on some reviews, but glad I did. Enjoyed front to back. Closes out series. Good read.

Had a hard time with the end of this novel. Won't be a "spoiler" but it definitely is a very good story.

It was a good read. fast paced, interesting. Accurate as far as weaponry went.

One of my favorite authors has done it again ! Great read . Wish we could have one every month !

great book.
