Touring The Springs Of Florida: A Guide To The State's Best Springs (Touring Hot Springs)

Synopsis

Highlighting the finest cold springs in the state, Touring the Springs of Florida features full-color photos and in-depth descriptions for each of the springs and surrounding areas. Detailed maps, GPS coordinates, and thorough driving directions lead you every step of the way. Whether you're tubing, swimming, snorkeling, paddling, hiking, diving, or simply sightseeing, there's a spring for you. Grab a towel, bring a camera, don your mask and snorkel, and prepare to get wet as you begin an adventure unlike any other.

Customer Reviews

Melissa Watson is a professional firefighter and paramedic. An avid explorer with a passion for the outdoors, she has been camping, hiking, mountain biking, photographing waterfalls and wildlife, and spring hopping her way around the southeast for over 25 years. In the process, she's written several other guides, including Hiking Waterfalls in Georgia and South Carolina, Hiking Waterfalls in North Carolina, Camping North Carolina, and Camping South Carolina. For more information, visit her website at www.trailtimenow.com.

This book is chock-full of great information. It all seems current which is vital when planning a snorkeling, swimming, paddling or camping trip. My friend is a double amputee so the handicapped accessible springs information was invaluable to my needs. The sole flaw of the book is that few of the images are new. Most seem identical to those in The Springs of Florida. If you want to save

yourself some money, don't buy both books. This one has the best information. I'd have given it four stars for repeating the photographs but we desperately needed the information about the handicapped accessible springs. I plan to take my friend to one of the springs

I have been an avid scuba diver and snorkeler for about 27 years now. I have dove many of Florida's freshwater springs, and have a few books on them. I must say, that this book is great. It has an extensive amount of info on many springs all over Florida. Directions, maps, useful info, etc. Great book, very useful. I highly recommend it.....

Touring the Springs of Florida is the best book on Florida springs. This is a better book overall and more informative than The Springs of Florida, you don't need both.

This is packed with great information. We are planning trips to the springs based on the authors recommendations.

Very helpful

Excellent book. Covers a lot of material. Excellent seller. Would buy from again. Thanks.

Great summary of places we have visited and want to in the future.

Awesome book! The perfect guide to touring Florida's springs.
