Customer Reviews

Awesome gift! The book had excellent quality and was happy with the designs. Several hours of weiner coloring.

I recently got into adult coloring and since I'm a dachshund owner, this was a must. I really like all the different designs that can be done.

I bought this for a friend as part of a care package and couldn't have been happier. It is a fun and funny gift that brightened my favorite wiener dog loving friend's day. What could relieve stress more than adult coloring combined with puppies?

Wonderful pictures to color

Awesome!!!

My sister loved this gift...cute and clever!

This book is so awesome! I love all of the detailed artwork that has gone into this coloring book. It is great to help get my mind off of everything else that is going on.

Gave this as a gift and my g-ma loved it!
