Fire Down Below (Gynazule Book 1)

Synopsis

Praise for *Fire Down Below*: "I'd like to remove myself from this spam list." ~Teresa Mummert NYT Bestselling Author "No." ~Jamie McGuire #1 NYT Bestselling Author "Do not read her next book. Trust me." Colleen Hoover #1 NYT Bestselling Author "I have not read this book." ~ Aesta's Book Blog "If this book is anything like her crazy tweets, then we are too scared to read it." ~ The Rock Stars of Romance Book Blog "Debra is the queen of s@!ts and giggles." ~ Tijan NYT Bestselling Author

Summary: Dove Glitch is embarrassed about everything above her knees and below her belly button. When she has to fill a delicate, embarrassing prescription the last thing she needs is a sexy-as-hell (and brand spanking new) pharmacist behind the counter. Johnson Fitzwell's first day of his dream career also happens to coincide with the exact moment Dove needs her feminine meds filled. His glorious voice is way too loud "as in, he should be counting down the hits with Ryan Seacrest kind of loud. Thanks to Johnson's handsome face and gorgeous jaw line, Dove dives headlong into her waking nightmare and asks for a vagina-scented cream. How could she not fall for him? Dove's only active goal now is to get Johnson to kiss her right on the lips. Either set. However, his horrible girlfriend is one of many obstacles preventing her from making that fantasy a reality. When Dove defends Johnson in the most unhygienic, unconventionally gross way in the middle of a crowded restaurant, their tender, slightly tantric relationship is off to a galloping, farting start. Each print copy of this book will be dipped in holy water by my mom and glared at by my father as he purses his lips. Neither will help. So, drop your pants, turn to the left and cough. I hope you're not allergic to latex, because it's time to fill your prescription. Anally.

More Praise: "Crap. Why won't you go away?" K.A. Robinson NYT Bestselling Author "You couldn't pay me enough." Tara Sue Me NYT Bestselling Author "You can't be serious." JM Darhower USA Today Bestselling Author "That's a big, tall glass of nope." Angie Lynch CEO and President of Shameless Book Club "This book is about as cringe-worthy as a raging UTI." Helena Hunting Amazing Author "This book gave my vagina nightmares for a week. What the hell was Debra thinking?!" ~Leisa Rayven Amazing Author "I like to read Debra's work on the crapper in case I run out of toilet paper." CJ Roberts NYT Bestselling Author "I've had the worst gas since I read Debra Anastasia's latest. Rip, full, wretched gas that singes my butt hairs on the way out. A week later I'm still walking funny." Kendall Grey Amazing Author "This cover gives me vaginal discomfort. Someone pass the Monistat." Tara Sivec NYT Bestselling Author "I might read this book if I wasn't so afraid of catching something." Tina Reber NYT Bestselling Author "It itches so bad." Ella Fox USA Today Bestselling Author "Can I un-read this? No? Do you have holy water so I can wash my eyes?" - King Midian

oels this the gas lady with the flatulence problem that can do the bubble tricks with her

vagina?â • Totally Booked Blogâ œNever Again. Disappointed! And just like Tony, I donâ™t like to be disappointed.â • Aleatha Romig NYT Bestselling Authorâ œPenivores and Vagitarrians both agree. Customer Reviews

There are books that rip our souls apart, then there are those that rip apart something else.

Something so raw that cannot be wiped away or even soothed with a snow cone. With explosive

writing, author Debra Anastasia has taken us somewhere we didn't know we wanted to be; a journey to a deep dark place within us all. From page one, this fun physically intense story made me squeaky laugh all the way through. Dove is a sweetheart and Johnson is an adorable hero, although a new contender may give him some stiff competition. Even the neighbors are likable flying their freak flag with reckless abandon. If you are squeamish about any bodily functions, this book is not for you. But if you can squeeze outside your box, this well-written story may just leave skid marks on your heart. Can't wait for the next one.

I laughed so hard while reading this book!!!! I loved all the crazy nonsense!!! Duke is the best!!!! I took off a star because I HATE books that end at 89% and then they give you a preview of someone else's book!!!! What is up with that??? I can't wait to see what happens and the second book needs to come now!!!! This is a light hearted funny read!!! Dove says all the crazy things a person thinks but never says! I love her awkwardness!!! I could actually picture the nasty, horny sausage vendor in the park humping his cart! The piercing penis episode was soooo funny!!! This is not like Saving Poughkeepsie. They are both different and awesome in their own way!!!

I thought this book was a hoot! Of course I raised a son and am used to raunchy humor. :-) I started reading the book in bed with my husband and after some time he very sternly told me I would need to finish the book in the morning. Apparently I was making some sort of noise that was a cross between a hyena, a seal a wheeze and a snort every couple minutes. :-) At one point he thought I was having an asthma attack and I don't have asthma! Needless to say, make sure you read this alone because you may annoy those around you. ps- I am so rooting for Duke and Dove!

OMG!!! This book was sooooo funny that I was afraid I was going to wake the entire house at 2am laughing. I couldn't put it down and read it in one night. All the characters in this apartment building with Dove, are characters in themselves. From her neighbor who Never closes his door, to the porn-author upstairs, to her 2 best friends (one stuck in past trends and one who only speaks 10 words a day), how can any relationship be normal? Dove who is embarrassed to buy feminine products let alone go to the pharmacy to get a second prescription for a feminine issue, meets hot new Pharmacist Johnson Fitzgerald, she looks to get more than just her prescription filled. But Friends, neighbors, an ex-fiance and a Penis Piercing gone wrong, can Dove and Johnson get past everything and move their sweet attraction forward? Or will Dove's screwed up luck prevent her from becoming her Twitter handle? This is a cliff hanger and I can't wait till book two to see how this

ends!!!

I one-clicked this novel almost a full year ago after I watched a video interview with this author and found myself charmed by her frankness. Not everyone wants the realness of everyday body functions incorporated into their romantic fiction. Personally, I was intrigued by the synopsis and up for something different, so I was eager to see how well Debra could execute this. Writing style: 3rd person Cover: awkwardly stylish " I like it! Good bits Body humor " check! Ridiculous situations " double check! Hilarious and awkward Twitter messages " triple check! I'm assigning bonus points for the cool chapter heading design and the very " propos title headings. Weaker bits Dove's habit of berating herself mentally was hard for me to read. She was borderline cruel to herself, and I simply didn't like that. I found myself skimming because of this mainly. She was alternately insecure, awkward, sometimes funny but also very not funny. I wanted to pull her aside and give her a hug but also tell her to dial it back just a little bit and to be kinder to herself. Two of the strangest neighbors besides Duke were Dove's neighbors Debra Anastasia and Mr. Anastasia. To me they seemed to be overly exaggerated and frankly bizarre. Making them caricatures of the real life individuals was a bold choice. I wish that I could have appreciated their oddness, but mostly I didn't. Debra, as her erotic author persona, had a great Twitter conversation with Johnson early on though that I liked. And she and Mr. Anastasia had a couple of very supportive moments later with Duke after his penis piercing accident. Favorite character Johnson " he was all around a sweet and well meaning guy and one of my favorite scenes featured him: "His loud voice spoke harshly, but Dove couldn't understand a word he said. "Si jamais tu reparles de cette fille de cette famille, je te casserai la guile jusqu' ce que tu pleures comme la mauviette que tu es." Overall, this novel was a mixed bag for me. I laughed out loud several times, but I also found myself completely baffled at some of the characters' actions and thoughts. Even so, I find myself still curious to know whether or not Dove and Johnson end up a happily ever after couple. And Johnson's nice guy appeal is the main draw for me to read the sequel, Fire in the Hole (Gynazule #2). Johnson came to Dove's defense in French. Who can resist a man who does that? As a Francophile, I certainly can't. I don't consider Duke or the new neighbor real contenders, but this author is full of surprises. I already have book two in my e-book collection, and I'm really hoping that it will be more evenly written.
