# Delta Force: Gulf War Operations In Iraq

## Synopsis

During the First Gulf War and Operation Desert Storm. Delta Force played a vital role in hunting down and destroying the Scud missile threat in the Iraqi desert. Once deep inside Iraq, Delta just like their SAS counterparts, set up covert observation posts along main supply routes in the hunt for the infamous Scud missile. When found, the teams on the ground would call in coalition strike aircraft to bomb the targets which they would paint with hand-held laser designators to destroy both Scud missiles and their launchers. The hunt for Scud missiles was hard; due to the mobility of the missile launchers and ability to hide in the vast Iraqi desert. These launches needed to be found fast and eradicated to prevent Israel entering the war leading to political disaster. It was down to the Delta Force and the SAS to go in deep behind enemy lines and destroy them. At times, being surrounded on all sides by Iraqi forces and having to fight their way out. This book is the true action-packed story of one such operation deep behind enemy lines.

## Book Information

File Size: 1060 KB

Print Length: 118 pages

Publication Date: June 15, 2017

Sold by: Digital Services LLC

Language: English

ASIN: B071GYKDBX
