Michael A. Babiarz served as chairman of the American Bar Association Committee on Elder Law. He has published more than thirty articles in various professional periodicals and is a long-standing member of the National Academy of Elder Law Attorneys. Michael is a practicing attorney in Palatine, Illinois.

Every family should be prepared and understand how to protect their life savings in their last days. Uncle Sam will take it if you don't make the right legal steps. This book is written like a dialogue to a senior citizen, and would be a good gift for a parent who doesn't understand how Medicare really works.
