## Synopsis

Do you relish life? Is it an adventure of discovery, joy, and satisfaction? It can be! Harold Klemp confronts a world of limitations and offers startling possibilities. His wisdom and heart-opening stories of everyday people having extraordinary experiences tell of a secret truth at work in your life--there is divine purpose and meaning to every experience you have. Every single moment of your life is the handiwork of a higher cause. And you can know what it is. Hint: God's love is the key, and spiritual freedom is the goal. If you want true freedom from the limitations upon your heart, mind, and spirit, here's a chance to earn it. Be open to the inner voice of Soul--your true self--as you explore the revelations given within these pages. Pay attention to your dreams. Invite the wonder of the great unknown into your being. Are you ready to accept the freedom of a new state of consciousness? Then nothing can hold you back. Spiritual freedom can be yours! Harold Klemp speaks to spiritual seekers and members of the Eckankar religion twice a year at international seminars. As the spiritual leader of the teaching, he is known as the Mahanta, the Living ECK Master. These transcripts reveal his approach to giving insights, wisdom, and guidance through the stories of people from around the world. Spanning a variety of topics, this book is a compilation of his talks from 2000 to 2006.

## Customer Reviews

"In this prescription for everyday spirituality, Harold Klemp distills a lifetime of experience for his readers. Using self-help techniques, sacred teachings, and common sense, Klemp shows how such

virtues as humility and forgiveness can manifest healing, love, and freedom. This is a book that is as practical as it is profound." --Stanley Krippner, PhD, Coauthor, *Personal Mythology and Haunted by Combat*; former president, Society for Humanistic Psychology and the International Association for the Study of Dreams "Awesome book, an adventure incorporating discovery, joy, love, satisfaction and happiness all rolled into one. How extraordinary people with extraordinary lives experience the sound of their Souls. It's about listening to your inner voice and acting on it. HIGHLY RECOMMENDED. A MUST READ BOOK." --Pam Thomas, NetGalley Reviewer "This latest volume guides readers through the faith's teachings and the ways they can enrich spiritual connections with themselves and the world. . . . The powerful optimism of these teachings should resonate with all readers, even those unacquainted with ECK. . . . An intriguing book explores practices and perspectives using storytelling as the main device." --Kirkus Reviews "Thoroughly 'reader friendly' in tone, commentary, organization and presentation. 'The Road to Spiritual Freedom' is especially recommended for the personal reading lists of anyone with an interest in personal spirituality and emotional growth." --Helen Dumont, Reviewer, MBRBookwatch; February 2017 "An inspiring book of profound wisdom, sharp insights, and practical guidance that will steer you well on the spiritual path. The Road to Spiritual Freedom is an exceptional resource that you'll want to consult time and time again, gaining new perspectives with each reading." --Rosemary Ellen Guiley, author, *Dreamwork for Visionary Living*

Author Harold Klemp is known as a pioneer of today's focus on "everyday spirituality." He was raised on a Wisconsin farm and attended divinity school. He also served in the US Air Force. In 1981, after years of training, he became the spiritual leader of Eckankar, Religion of the Light and Sound of God. His full title is Sri Harold Klemp, the Mahanta, the Living ECK Master. His mission is to help people find their way back to God in this life. Each year, Harold Klemp speaks to thousands of seekers at Eckankar seminars. Author of more than one hundred books, he continues to write, including many articles and spiritual-study discourses. His books have been translated into more than 18 languages. His inspiring and practical approach to spirituality helps many thousands of people worldwide find greater freedom, wisdom, and love in their lives. (Eckankar.org)

Great book on how God's love is the key to spiritual freedom. Includes instructions on how to pay attention to your dreams to invite the wonder of the great unknown into your life.

This very good book should be on the NY Best Seller's list. Full of great adventurous stories, and

very nicely tied into how daily life works in most peoples lives.

Fascinating book. Reading it slowly because there's a lot here.

I did not know the Eckankar religion until I read this book. I am not a religious person, although I grew up and I was surrounded by people who were. But I am a believer and I am open to all philosophy or spiritual expression and praise for the sacred that is given in love and for the good of all. I am against discrimination because I practice the love that unifies and not the violence that judges and separates. By my very personal spiritual growth, I can recognize that we are part of a multidiverse family, that Love and Consciousness are present in everything that exists, I recognize the sacredness of life and the material cosmos, I live in gratitude and loving respect for all living creatures. For all the above I found similarities of my very personal way of connecting with the presence of divinity within and with this religion. I found it enriching to know this group of people who have as basis to explore and develop a very personal unique way of having a relationship with the divine spirit, without anyone interceding for them. It is also very revealing that this religion consider the sound of God as a key element to connect with the divinity. It seems to me that the Eckankar integrates many characteristics of ancestral religions and beliefs of mankind, such as practices through sound and sacred syllables, with dreams, with soul journeys, past lives, world of spirits; and teaches the care of the body as the home of the spirit, and that the experiences of the world are spiritually enlightening (resonates with my truth!). I am very clear that as humanity expands its consciousness, raises its vibrational frequency, it will better accede - sustain - radiate the divine reality to which it belongs; for this reason, I think that this religion is a reflection of this and of a new paradigm, and therefore is more integrative, more practical for everyday life. I discovered that Eckankar teachings promote relationships based on respect for individuality, for diversity, that evolve towards greater compassion and love. I could also glimpse that their practices invite people to empower themselves, resolve their conflicts better, as it proposes to be self-responsible and self-disciplined. Although I find resonance points with Eckankar, I do not intend to join this religion, nor convince anyone to do so. I do not believe that any philosophy or teacher can embrace absolute / total knowledge of the Creative Source, but we can enrich ourselves and listen to other religious beliefs, respect them and honor the part of truth they hold, and develop a more holistic and integral view of the Whole. My gratitude to the Publisher and NetGalley for allowing me to review the book
