## Synopsis

People are going missing in the Woods, being taken, but by who, or what...? True tales of horrifying disappearances in the woods... and the possible answers behind it. The Woods will never be the same again...Steph Young has appeared on National radio shows including "Coast to Coast Am," "Midnight in the Desert," "Where did the road go?" "The Unexplained," & "Darkness Radio." Steph Young is an independent researcher, addicted to researching all Supernatural, Paranormal, Esoteric and enigmatic Mysteries. Each book seems to lead to further questions and searches for answers, as the Mysteries inevitably deepen & develop into ever more complex riddles in the spectrum of the Unknown....Creepy true tales of strange disappearances in the woods, unexplained vanishings & mysterious Deaths. Creepy Mysteries of the Unexplained. Unexplained Disappearances & Missing people; True Stories.....Things can get strange when you're alone in the woods....and something in the woods is taking People; something unknown that we cannot define; something that others have had the misfortune to encounter. People snatched soundlessly, never to be seen again. Or returned; dead. A strange and highly unusual predator. Highly intelligent. Very successful. And able to overpower someone in an instant.... This is a puzzle. An often deadly one. People are disappearing in the Woods. Screams heard in the distance; or, just ominous silence... The primal fear of something dangerous lurking, coming closerâ |.For some people, this can turn into a deadly reality. For those left behind, there is only confusion, fear, panicâ |.The Woods will never be the same again....

## Customer Reviews

Steph Young has written so many books on people going missing under strange circumstances. The number of case files she has presented is staggering. She also allows for various theories by different people to come to light without pushing any specific agenda. In this book several new cases and theories are presented and somehow I feel we're maybe starting to zone in a tiny bit more now on the reality that really lies behind these sinister happenings. Like all of Steph's books, it's a very interesting read that you won't be able to put down until it's finished,
