Scout's Dutch Oven Cookbook

Synopsis

From "Commissioner's French Toast" to "Chicken Dutchiladas," The Scout's Dutch Oven Cookbook highlights hand-picked outdoor recipes, plus cooking methods and tips for a Scout-friendly cooking experience. This is the must-have resource for Dutch oven cooking in the outdoors, whether you're a Scout, hiker, camper, canoer, kayaker--or anyone who eats in the wilderness.

Customer Reviews

Loved the recipes. I tried a recipe from a dutch oven cooking class, and have been looking for the book. The Patrol Meatloaf recipe was sampled in the class. It is the best, and I have not been able to find it in any other Dutch Oven cookbook.

Only thing I would change is to have fewer similar recipes. There is more than one French toast variety, and more than one lasagna recipe. There's also multiple recipes which use one of those 'dough in a canisters', some 'traditional campers' may disapprove of using those, but I think it's a fun alternative to the typical stews or lasagna. Recipes are divided into Breakfast, Lunch, Dinner, and

Snacks/Desserts. Some of the lunch recipes could work as a dinner. Includes a few pages on Dutch oven care, including a chart showing charcoal counts for different temperatures depending on the oven size.

Having no experience cooking with a Dutch Oven, I bought this book hoping to use it as a set of "training wheels". The background information in the early chapters was helpful and the starter recipe (2x4 soup) was sufficient to build my confidence. There are a number of excellent recipes in this book. The recipes clearly list the ingredients and directions plus even rate the recipe as easy, moderate, or difficult. Overall, I recommend this book to a novice and encourage troops to add this book to their libraries. It's a good source of ideas for scouts as they plan for their trips.

One of the best beginning books that covers all the important basics from how to control the temperature to care and cleaning of the Dutch oven. Just the recipe and instructions on how to make Dutch oven ice-cream was well worth the investment in this book!.

So much great information in this book. More information than we expected. Tells you how to care for your Dutch Oven. What to do if your Dutch Oven begins to rust (if you leave a little wet spot on it). Lots of really great recipes!

As a Boy Scout family, we are frequently camping and cooking in the outdoors. A great way to cook for the group is in dutch ovens. This book has been helpful in coming up with some new ideas and recipes that the fellow campers enjoy!

Excellent! Have made 3 recipes so far and all turned out good. Favorite so far is the Mexican chili pie. Already thinking of many different variations. Hubby's favorite is the chicken bake thingy, again endless variations possible. Love the conversion chart, but wish they would have just included the conversion on each recipe. Excellent book for my novice abilities. Gives me confidence to try some of the harder ones.

The boy scouts Dutch oven cookbook is great to have and learn from I wanted to learn how to cook outside on open fires so I would be able to if I needed to or just wanted to and this book covered that for me so I will check out some of the others.
