This book is so creative! I bought it because we eat a LOT of chicken and I needed more ways to

make it. There is something for everyone in this book - every kind of cuisine and meal you could ever think of. The recipes are easy to make and easy to understand, and the photographs make the dishes jump off the pages! Cheater tip - if you have leftover chicken (even if it's not rotisserie) you can use it in these recipes! I used some leftover plain shredded chicken breasts in the mashed potato casserole and it was delicious. My daughter, who hates mashed potatoes and will never even try them, licked her plate clean!

BEST COOKBOOK EVER TO OWN!!! Even if you don't need a recipe for all of the items in here, it's all about the IDEAS!!!! I've made so much stuff from this book either following the recipe precisely or just getting the idea and then taking off from there. The recipes are easy to follow, simple ingredients. This is for a beginner cook as well as an advanced - because there are just some nights when a gourmet meal is not in the cards.

I LOVE this book and my husband and I are really enjoying the recipes. Since buying the book six weeks ago I bought two rotisserie chickens and made eight lunches/dinners that were VERY tasty! Do read the author's notes at the beginning of the book, as she has some really good tips. This book would make a very nice wedding shower gift.

Not all of these recipes are appealing to me but enough are, that I am glad to have it on hand. We love our Costco rotisserie chickens and the more ways we can use them, the better.

Great cookbook for anyone looking for more ways to use chicken. Even though its focus is on rotisserie, you could easily sub in roasted or baked in many of these meals. Just use your best judgement. Every recipe is easy to follow, using mostly pantry ingredients, and is accompanied by a gorgeous photo. I've already made the Spinach Artichoke French Bread Pizza, Broccoli and Rice Casserole, and French Spaghetti - all wonderful. Winner winner, chicken dinner!

Fantastic cookbook! I have already used a few of the recipes and they are great. Getting those cooked chickens at Sams is so economical, and these recipes are easy and can be pretty cheap to make. Thanks for all the great ideas!

We are loving the variety of recipes offered in the book. Better selection than we expected. In our busy world, it is great to have selections of recipes that accommodate the inexpensive and

convenient use of Costco Rotisserie Chicken. We will be referring to this book many, many times.

Great little recipe book! So many idea's and ways to use the rotisserie chicken you purchase at the store besides just slicing it up and eating it the way it came. I look forward to trying so many of them. Pictures and recipe's are presented in a easy and inviting way.
