## Customer Reviews

"A necessary and, therefore, highly recommended acquisition for any library with botanical or gardening readers." —L. G. Kavaljian, Choice, February 1993

This handsome reference, now available in paperback, is sure to delight gardeners with a casual interest in orchids as well as the committed enthusiast and professional. Encompassing a wide spectrum of orchid genera, over 1,100 species and hybrids commonly in cultivation are detailed.

Well produced. Beautiful and detailed pictures with a limited but useful write up on each orchid type. A pleasure to use.

This encyclopedia contains information needed for growing orchids.excellent photos.Quick and good description of the types of orchids.Price comfortable.Thank you very much.Happy new year 2014.

Not what i was looking for it just had pictures i wanted how to care for them

Perfect for what I needed....Highly recommended!!!!Tons of knowledge for the beginner and a easy read and very understandable.Again Highly recommended!!!Thank you

This encyclopedia covers most types of orchids with glossy pictures and is a a valuable reference book for all orchid owners.Would be a great gift for any orchid lover.

Pretty comprehensive book on orchids, bought it primarily for photo reference (in artwork).....photos are usable to give an idea of the different types of orchids

Very good!

received timely and intact
